Unless otherwise defined herein, capitalized terms used in this announcement shall have the same meaning as those defined in Prospectus.

- (ii) HK\$5 million for general working capital of the Group.

The Board has resolved to reallocate the unutilized net proceeds for general working capital of the Group, which is expected to be applied for rental expenses, salary, legal and professional fee and general corporate expenses. The expected timeline for the Company to utilize the unutilized balance of net proceeds of HK\$6 million will be on or before 30 November 2026.

REASON FOR THE CHANGE IN USE OF PROCEEDS

As disclosed in the Interim Report, the Group had been cautious in proceeding with the automated parking business in Mainland China in view of the uncertainties in the economic environment in Mainland China. The Group was closely monitoring the market environment and reassessing the risk and benefits to the Group in the New Business. In view of the lackluster property market in the Mainland and the uncertainties in venturing into a new business, the Directors have resolved to terminate the New Business.

Furthermore, according to Annual Report 2025, the revenue generated from tutoring services and continuing franchising have increased of approximately 13.2% and 50.1% respectively, compared with the same period of the last financial year. The Directors are of the view that the change in use of proceeds would enable the Group to apply its financial resources more efficiently and to capture other business opportunities for the Group's revenue growth.

The Directors confirm that there are no material changes in the nature of the business of the Group. The Directors consider that the change in use of the unutilized net proceeds is in the interests of the Company and its shareholders as a whole and will not have any material adverse effect on the existing business and operations of the Group.
