## FIRST QUARTERLY RESULTS ANNOUNCEMENT FOR THE THREE MONTHS ENDED 30 JUNE 2019

### CHARACTERISTICS OF THE GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange.

Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

The Company’s registered office and the principal place of business are at Cricket Square, Hutchins Drive, PO Box 2681, Grand Cayman, KY1-1111, Cayman Islands and Shop 203, Kin Sang Commercial Centre, Kin Sang Estate, Tuen Mun, New Territories, Hong Kong, respectively.

In the opinion of the directors of the Company, the ultimate controlling parties of the Group are Mr. Cheung Lick Keung and his brother Mr. Cheung Luk Sun, who collectively control the Company through shares of the Company held by Digital Achiever Limited and Golden Dust Holdings Limited, companies incorporated in the British Virgin Islands which are wholly owned by Mr. Cheung and Mr. Cheung Luk Sun respectively.

The Group is principally engaged in the provision of tutoring services in Hong Kong. The Group provides private tutoring services including primary and secondary tutoring services under the trade name of “Logic Tutorial Centre”.

## 2. BASIS OF PRESENTATION AND PREPARATION

The Company became the holding company of the companies now comprising the Group subsequent to the completion of reorganisation on 3 November 2016, the Group is regarded as a continuing entity resulting from the Reorganisation since the insertions of certain new holding companies at the top of Billion Bright Management Limited have no commercial substance and do not form a business combination. Accordingly, the consolidated financial statements have been prepared using the principles of merger accounting as if the reorganisation had occurred as of the beginning of the earliest period presented and the current group structure had always been in existence.

The consolidated statement of profit or loss and other comprehensive income and the consolidated statement of changes in equity of the Group for the period ended 30 June 2017 and 2018 include the financial performance of all companies now comprising the Group, as if the current structure had been in existence throughout the reporting periods, or since their respective dates of incorporation, where there is a shorter period.

All significant intra-group transactions and unrealised gains on transactions have been eliminated on consolidation. Unrealised losses are also eliminated unless the transactions provide evidence of an impairment of the asset transferred.

The consolidated financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards (“**HKFRSs**”), which collective term includes all applicable individual HKFRSs, Hong Kong Accounting Standards (“**HKASs**”) and also included the applicable disclosure requirements of the Hong Kong Companies Ordinance and the applicable disclosure provisions of the Rules Governing the Listing of Securities on the GEM Board (“**GEM Listing Rules**”).

The consolidated financial statements have been prepared on the historical cost convention. It should be noted that accounting estimates and assumptions are used in the preparation of the consolidated financial statements. Although these estimates are based on the management's best knowledge and judgement of current events and actions, actual results may ultimately differ from those estimates.

The consolidated financial statements are presented in Hong Kong dollar (“**HK\$**”) which is also the functional currency of the Company. All values are rounded to the nearest thousand except when otherwise indicated.

The accounting policies adopted in preparing the unaudited condensed consolidated financial statements were consistent with those applied for the financial statements of the Group for the year ended 31 March 2019 except HKFRS 16, Leases, (“**HKFRS 16**”) which are effective for the financial year beginning on or after 1 January 2019.

### **Impact on adoption of HKFRS 16**

HKFRS 16 introduces a comprehensive model for the identification of lease arrangements and accounting treatments for both lessors and lessees. HKFRS 16 superseded HKAS 17 Leases and the related interpretations when it becomes effective. HKFRS 16 distinguishes lease and service contracts on the basis of whether an identified asset is controlled by a customer. Distinctions of operating leases and finance leases are removed for lessee accounting, and is replaced by a model where a right-of-use asset and a corresponding liability have to be recognised for all leases by lessees, except for short-term leases and leases of low value assets. The right-of-use asset is initially measured at cost and subsequently measured at cost (subject to certain exceptions) less accumulated depreciation and impairment losses, adjusted for any remeasurement of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at that date. Subsequently, the lease liability is adjusted for lease and interest payments, as well as the impact of lease modifications, amongst others. For the classification of cash flows, the operating lease payments of the Group are presented as operating cash flows. Upon application of HKFRS 16, lease payments in relation to lease liability have been allocated into a principal and an interest portion which is presented as financing cash flows by the Group. The Group has initially applied HKFRS 16 at 1 April 2019 using the modified retrospective approach. Under this approach, comparative information is not restated. As disclosed in the financial statements of the Group for the year ended 31 March 2019, the Group had non-cancellable operating lease commitments of approximately HK\$6.0 million at 31 March 2019. Except for HKFRS 16, the Directors do not anticipate that the application of other new and revised HKFRSs have a material impact on the Group's financial performance and financial positions. The Group has not adopted or early adopted the new and revised HKFRSs (including their consequential amendments) which are relevant to the Group that have been issued but are not yet effective in the preparation of these unaudited condensed consolidated results.

The condensed consolidated financial statements have not been audited by the auditors of the Company but have been reviewed by the audit committee of the Company.

All the Group's revenue and non-current assets are principally attributable to Hong Kong, being the single geographical region.
